INSTRUCTIONS TO APPLICANTS: (NOTE: After filling out application call the Zoning Administrator to make an appointment. Before beginning any construction a Certificate of Zoning Compliance and a Building Permit must be obtained from the Zoning/Building Administrator. Application for permits must be made by the owner of the property on which the construction is to take place or his duly-authorized agent. A legal description of the property and a site plan of the proposed construction must be included with this application. The attached sheet, which may be used for drawing the site plan, lists information which must be shown.

If the proposed construction meets the zoning requirements, a permit will be issued.
