

# Halloween Howl-A-Baloo

HOCUS POCUS, HALLOWEEN HASN'T GHOSTED US!

SO, THIS IS WHAT WE ARE GONNA DO, WE ARE HAVING A HALLOWEEN HOWL-A-BALOO!

IT'S A TRUNK-OR-TREAT OF SORTS IT MIGHT SEEM, PRINCESSES, WARLOCKS, GIRAFFES AND THINGS. COLE PARK, THAT'S WHERE IT WILL BE SEEN, ON FRIDAY, OCTOBER 30TH, THE NIGHT BEFORE HALLOWEEN!

Happy Halloween!

Yes, it's a little early but we wanted to discuss how COVID-19 will impact Halloween with you.

At this time, we do not feel that it is wise to have our kids going door to door or congregating in small, enclosed spaces. This being said, we didn't want them to lose Trick or Treat.

We have investigated and researched options and have settled on Halloween Howl-A-Baloo! The idea is simple, it's a Trunk or Treat. Our plan will require Treaters to wear gloves, face coverings and we will social distance participant's vehicles. The items being distributed must be in their original packaging and may not be homemade. The goblins will make their way, via automobile, through the park and receive their treats.

What we need are people who are willing to decorate their trunk, the bed of their truck or their side by side and hand out treats to the kids. We are asking anyone who is willing to participate to complete a registration form so that we know how many we will have and how to plan the layout.

As adults we know things have been confusing and challenging. Let's work together to give our kids a smile and a little fun in these trying times.

We need individuals, churches, businesses, organizations, committees and departments to join us for a little Howl-A-Baloo! The registration form will be available on line at [www.chesterill.com](http://www.chesterill.com) or by email at [chesterrecreation@chesterill.com](mailto:chesterrecreation@chesterill.com).

Check us out on Facebook: [Halloween Howl-A-Baloo@ChesterHalloween](https://www.facebook.com/HalloweenHowl-A-Baloo@ChesterHalloween).

If you have any questions please contact me at the number below to discuss.
